

Gillett Park

Tomah, WI

Americana Music in the Park (AMP) is a 501(c)(3) non-profit organization that provides live music and community support in the greater Tomah Area. Since 2010, AMP has provided free music concerts to bring our community together and show support for local businesses. Our concerts are held on the first and third Wednesdays in June, July and August.

As a non-profit organization, AMP relies on support from business sponsorships and private donations. Your support will help AMP continue to promote the arts and music in our community and, as always, your support is tax deductible.
